

North Norfolk Green Party October 2024 meeting

AGENDA

1. Attendees and Apologies

Those present: Liz Dixon, Stephen Green, Mike Ward, Steve Marsh and Kate Grant.

Attendance via Zoom: Mike Bossingham, Alicia Hull.

Apologies: Clare Wilson, Ray Mooney, Edmund Wright and Susan Brocklehurst.

2. Previous minutes: Agreed

3. Matters arising: Leafletting & door knocking - Plan for County Elections 2025

LD & SG met Alex 16/10

60 second survey designed - Was sent to Ray's wife who suggested doing an online survey and perhaps using survey monkey to encourage a potential larger uptake.

Calling card checked and corrected.

LD to organise dates for delivery

4. Norfolk County Elections.

Leafletting done by end November. Then door knock in December, Produce Fakenham Leaflet in January. If any one hears any green Fakenham news. Not a lot of time until May. We need a candidate in every ward if possible. We are seeking members to stand even if only as a paper candidate. Please inform Stephen Green if willing to. Have produced a Green Party help information list to give out when canvassing. Hopefully this will up our profile locally.

5. Finance:

Mike B gave the annual closing of account figure of £1,300. LD said that there would be no capitation monies from the national party until July 2025. It was decided not to transfer the money into a savings account as the return would be small and access may be affected.

6. Regional AGM 5 October Ipswich Institute Report from LD. Problems being raised about new Nuclear Power plant

7 Regional AGM 9/11, 10-12 & 13:30-15-30, all members can join via Zoom

8. News for web

Mike Ward to prepare web story on Maize being grown as bio fuel and Solar Panels on farm land.

Mike B to write update on BC

7. Other business:

Bacton gas site to potentially get funding for carbon capture to pump carbon into exhausted gas fields. Pigs might fly. Wood love to see surplus wind generated electricity to produce green hydrogen at the Bacton Site.

Liz's partner to update our website to enhance North Norfolk's Green Party online presence.

8. National Issues:

Green MP's will not be whipped but to vote for Green principles, which ever party proposes them.

8. Guest Speakers:

Becky Lovegrove and Richard Podmore from Green and Healthy Frome gave a presentation via Zoom, with the slide presentation to be sent to Liz. Download here
Topics included: National Lottery Funding, Healthy Community Project, Energy Efficient Insulation, Climate Change Chart and NHS Carbon Footprint.

There then followed a question and answer discussion.
